

## Speaker Biographies

### City National Bank and FBI

### EIC Conference 2023

**Briane Grey**, SVP, Head of Head of Corporate Security, City National Bank

Mr. Grey currently oversees physical security, colleague and client security, investigations and loss prevention at City National Bank.

Mr. Grey has more than 25 years of federal law enforcement experience with the Drug Enforcement Administration (DEA), where he retired as the acting special agent in charge of the Los Angeles division.

He was appointed to the Senior Executive Service in 2004 and served in Los Angeles until his retirement in 2012. His former assignments include tours in New Jersey, Hawaii, Washington, D.C. and Thailand. In addition, Mr. Grey served as chief of operations management, where he provided oversight for the DEA's Command Center, Emergency Management and Disaster Recovery Program, and Crisis Management Team.

As council vice president of ASIS International, he offers guidance to the Banking and Financial Services, Investigations, and Law Enforcement Liaison communities. He is also a member of the Crisis Management and Business Continuity Community, the Private Sector Liaison Section of the International Association of Chiefs of Police and sits on several law enforcement-related executive boards in Los Angeles County.

**Michael Sohn**, Supervisory Special Agent (SSA), FBI

Mr. Sohn is currently leading a squad at the FBI Los Angeles Field Division that is responsible for investigating computer and high-technology crimes. His investigative experience includes cyberterrorism, nation-state and criminal cyber intrusion matters.

Prior to his employment with the FBI, he worked as a Cyber Counterintelligence Officer for the Department of the Army, a Counter Terrorism officer for the Defense Intelligence Agency, a consultant at Booz Allen Hamilton, and a U.S. Army Officer.

Mr. Sohn received a Bachelor of Science in Computer Science from the United States Military Academy, West Point and a Master of Science in Computer Information Systems from Boston University, Boston.

**For 2023 Conference Use Only as agreed.**
